2. When entries other than those of a routine nature are made to an employee's personnel record that may affect conditions of his/her employment, the employee will be given a copy of the entry. The employee will be given the opportunity to affix his/her signature and date acknowledging that the employee has inspected the entry. The acknowledged entry shall be placed in the employee's personnel record within 7 days from the discussion and does not indicate the employee concurs with the entry.

The local Union President will arrange with the supervisor designated above to meet with newly-hired employees as part of the overall orientation process for the purpose of furnishing them with information about the Union. The meeting will be limited to a maximum of 30 minutes and may be coupled with a relief or period. Time spent during the basic scheduled work period for each employee will be paid as time worked.

B. Union Representation

1. At the meeting between the Company and an employee in which discipline (warning to be placed in the personnel file, suspension, demotion or discharge) is to be announced, the Union representative from the employee's work group, if available, may be present if the employee so requests. The Union representative shall suffer no loss of pay for time consumed in such meeting.
2. At any investigatory interview between a representative of the Company and an employee, wherein the employee reasonably believes that the information obtained may be used as the basis for disciplinary action against the interviewed employee, a Union representative may be present if the employee so requests. The

ARTICLE 15
GRIEVANCE, ARBITRATION
AND MEDIATION PROCEDURES

A. Grievance

1. The Company and the Union recognize the right of any individual employee or group of employees to present grievances, as provided in Section 9 (a) of the National Labor Relations Act, to Company representatives.
2. All grievances, other than discipline related grievances and those involving the true intent and meaning of this Agreement, shall be handled under the procedure set forth below.
 - a. The Informal Level (the level below Operations Level where the aggrieved employee is employed). This meeting is intended to allow both sides to fully explore the incident, clear up any possible misunderstandings and attempt to resolve the dispute.
 - b. Operations Level. The grievance is commenced with the filing, in writing, of a request for a grievance meeting with the appropriate Operations level manager or his designee. This request must be filed within 60 days of the occurrence being grieved. The Company will inform the Union within 14 days from the date of the meeting of its proposed position, on a form agreed to by the parties. The Union shall advise the Company within 14 days of receiving the Company's written decision whether it accepts, rejects, or appeals the proposed disposition. If either party fails to respond within the proper time frame, an automatic appeal to the next level is considered to exist. Grievances involving counseling entries shall not be appealed beyond the 2nd Level of the grievance procedure.

- c. State Level (Initial Executive Level). Within 30 days from the time that the Union has requested a conference on such grievance, the designated Human Resources management representative shall contact the Union's designated representative, either in person or by telephone, to discuss the grievance. If not disposed of, the Union will indicate its position in writing to the Company. If the parties agree on an adjustment, it will be stated as the proposed disposition. If the Company does not respond within 14 days, it will be considered as an automatic appeal to the next level. The Union shall inform the Company within 14 days as to whether they accept, reject, or appeal the disposition. If not satisfactorily adjusted at the third level and the Union does not request a conference on an appeal to the next level within 30 days of the date of the appeal, the grievance will be closed.
 - d. Executive Level (Company Headquarters Final Review). The appropriate Company representative shall meet and discuss the grievance with the Union within 30 days after the request for the conference. If the Company fails to meet within the 30 days or fails to get an extension, it will be treated as a rejection by the Company of the Union's position. If a remedy cannot be agreed on, it shall be determined by arbitration.
3. In the first two steps of the grievance procedure, certified Union representatives and other employees necessary to a grievance hearing shall suffer no loss of pay for time consumed in meetings with management and necessarily consumed in traveling to and from such meetings. However, in addition to the grievant, the number of persons who shall suffer no loss of pay will be two at the second step and one at the first step.
4. Discipline related grievances up through suspension shall not be appealed beyond the 3rd level of the grievance procedure. If not

satisfactorily adjusted at the 3rd level, they may be subject to arbitration procedures.

5. True intent grievances shall initially be presented at the 2nd, 3rd, or 4th level.
6. Grievances involving the filling of vacancies. Grievances will be filed at Human Resources operations level. The Union shall advise the Company of the unsuccessful requestors on whose behalf it is grieving, or designate the employees whom it contends were erroneously selected instead of the aggrieved employee(s).
7. Grievance adjustments at the 2nd and 3rd level shall be final and binding, and shall not be used as a precedent by either party, except that an adjustment at these levels may be made subject to the 4th level approval if either party at the 2nd or 3rd level informs the other in writing within 14 days from the date of settlement that a "true intent and meaning" question exists. Both parties shall inform the other of the names of its representatives at the 4th level who are authorized to finally approve settlements made at the 2nd or 3rd level of the grievance procedure.
8. The time period(s) as prescribed by this Agreement shall not include a Sunday or a holiday as the last day of the agreed time period(s).

B. Arbitration and Expedited Arbitration

1. If at any time a controversy should arise regarding the true intent and meaning of any provisions of this Agreement, including Memoranda of Agreement or other Letters of Understanding interpreting the Agreement in regard to the performance of an obligation hereunder, which the parties are unable to resolve by use of the grievance procedure, the matter shall be arbitrated upon written request of either party to this Agreement.

- The Impartial Arbitrator shall have power to decide whether or not a particular finding shall have a retroactive effect. However, no retroactivity shall predate the Union's demand for arbitration except as is or may be otherwise provided in other contracts or agreements between the parties.
2. Any written request for arbitration shall be made within 90 days from the date of the final decision in writing on the grievance. Standard procedures for arbitration and expedited arbitration as agreed to by both parties shall be followed.
 3. Compensation and expenses of the Impartial Arbitrator and the general expenses of the arbitration, excluding transcripts, shall be shared equally by the Company and the Union. The total costs and fees of transcripts will be borne 75% by the Company and 25% by the Union.
 4. Any grievance filed on behalf of an employee which involves suspensions or discharge, except those which also involve an issue of arbitrability, contract interpretation, work stoppage activity, or which are the subject of an administrative charge or court action, shall be submitted to arbitration under the expedited arbitration procedure within 15 days after the filing of a request for arbitration.
 5. In arbitration and expedited arbitration grievances, the Impartial Arbitrator shall not have the authority to modify, add to, or subtract from any provisions of this Agreement.
 - a. In any grievance arbitrated under the expedited provisions of this section, the Company shall under no circumstances be liable for back pay for more than 9 months (plus any time delayed at the request of the Company) after the date of the disciplinary action. In grievances which were scheduled for mediation prior to expedited arbitration, time liability for back pay shall be no more than 12 months. Delays requested

by the Union in which the Company concurs shall not be included in such additional time.

- b. The decision of the Impartial Arbitrator will settle the grievance, and the Company and the Union agree to abide by such decision.

C. Mediation

1. Where mutually agreed, grievances appealed to arbitration may be mediated, with the exception of those dealing with matters of contract interpretation.
2. Agreed upon procedures associated with mediation shall be followed.
3. The Company spokesperson will normally be the Director having primary Labor Relations responsibilities or his/her designee. The CWA Representative will normally be the spokesperson for the Union. Attorneys will not be used by the parties at the mediation conference. The number of employees who shall suffer no loss in pay shall be no more than two (2).
4. The parties will share equally the cost associated with mediation.
5. If no settlement is reached at the mediation conference, the grievance is subject to being scheduled for arbitration.

D. Strike Limitations

As the parties have agreed on procedures for handling complaints and grievances, they further agree that there will be no lockouts or strikes during the life of this Agreement.

ARTICLE 16
COMPLIANCE WITH LAW

In the event any Federal or State Law or regulation or governmental order affects any provision of this Agreement, those provisions so affected shall be made to comply with the requirements of such laws, regulations or governmental order.

ARTICLE 17

A. Payroll Dues Deduction

The Company agrees to make collection of Union dues or an amount equal thereto from any eligible employee through payroll deduction upon the order in writing signed by such employee and to pay over the amount thus deducted to the Union. The Company will continue to make such payroll deductions for employees who have properly executed dues deduction cards on file. Except as provided below, or as provided in Memorandum of Understanding between the parties, or as otherwise provided by applicable law, all cards may only be revoked during the 10 day period preceding the expiration date of this Agreement and the same 10 day period each year during the life of this Agreement.

1. Cancellations by employees of such written authorization for payroll deductions must be in writing and the Company agrees to notify the Union forthwith of the receipt of any such written cancellations.
2. Such cancellation requests must be sent individually by certified mail to the Company Disbursement Manager with a copy to the Union, postmarked during one of the 10 day periods described above. The Company shall cease such deductions the month after the receipt by the Company of the certified notice.

3. The Union may, by written notice (over the signature of its Secretary) given to the Company, terminate, with respect to any employee, the obligation and right of the Company to make such deductions. The Company shall give notice of such termination to the employee.
4. Cancellation of such dues deductions will be made by the Company on the transfer or promotion of an employee to an ineligible position effective the first payroll period following the transfer or promotion and will notify the Union of such cancellation.
5. Authorization cards which by their terms are revocable at will are not subject to the 10 day revocation periods referred to above.

B. Dues Requirements

the period beginning 30 days after the effective date of this Agreement, until the termination of this Agreement.

D. Movement In and Out of Bargaining Unit

The conditions of employment specified above shall not apply during periods of formal separation from the bargaining unit by any such employee but shall reapply to such employee on the thirtieth day following his/her return to the bargaining unit. The term "formal separation" includes transfers out of the bargaining unit, removal from the payroll of the Company, and leaves of absence of more than one month duration.

E. Application Under the Law

Section B and C above shall apply only in those States where the law permits the Union to enter into this type of Union security agreement. If during the term of this contract the Union shall become duly authorized under the laws of any other State to enter into this type of Union security agreement, the effective date of this Article as to employee in such State shall be the date upon which the Company receives proper written evidence from the Union that it is fully qualified to enter into such an agreement in such State.

F. COPE Payroll Deduction

The Company agrees to make collection of CWA-COPE-PAC payments of any bargaining unit employee through payroll deduction upon the order in writing, signed by such employee, and to pay over the amount thus deducted to the CWA-COPE-PAC.

Southeast Program of the AT&T PENSION BENEFIT PLAN

Employees will cease to participate in the Southeast Program effective June 1, 2016. Employees' benefits will be frozen to additional accruals effective June 1, 2016.

**Bargained Cash Balance Program #2 (BCB2)
of the AT&T Pension Benefit Plan**

Employees are covered by the Bargained Cash Balance Program #2 (BCB2). Refer to plan document for information.

SUCCESS SHARING PLAN

Based on the Union and Company’s desire to have employees share in the success of AT&T Inc. (AT&T), the parties agree to a Success Sharing Plan (SSP). Eligible employees may receive annual lump sum cash payments, based on AT&T stock price appreciation and AT&T dividend rate.

A. Plan Components

1. Success Units

Employees will be awarded 150 success units at the beginning of each award year (October 1, **2024**, October 1, **2025**, October 1, **2026**, October **1**, **2027** and October 2, **2028**). Those success units will only be valid for that award year and will not carryover to the next award year. A success unit is only used as a multiplier in the payout calculation and is not a share of stock nor has any other value.

2. Determining Stock Appreciation Award Value

Award Year	Beginning Award Value	Ending Award Value
2025 (October 1, 2024 to September 30, 2025)	October 1, 2024 closing AT&T stock price	September 30, 2025 closing AT&T stock price
2026 (October 1, 2025 to September 30, 2026)	October 1, 2025 closing AT&T stock price	September 30, 2026 closing AT&T stock price
2027 (October 1, 2026 to September 30, 2027)	October 1, 2026 closing AT&T stock price	September 30, 2027 closing AT&T stock price
2028 (October 1 , 2027 to September 29, 2028)	October 1 , 2027 closing AT&T stock price	September 29, 2028 closing AT&T stock price
2029 (October 2, 2028 to September 28 , 2029)	October 2, 2028 closing AT&T stock price	September 28 , 2029 closing AT&T stock price

The stock price used in establishing the award value will be the closing AT&T stock price on the New York Stock Exchange.

The award value will be adjusted proportionally to reflect any stock split.

3. Determining Dividend Rate Value

The dividend rate value will be determined by adding each AT&T declared quarterly dividend during the award year (historically December, March, June, and September) and multiplying this total by 150 success units.

4. Payout

Employees will receive a total payout based on the difference between the ending award value and the beginning award value for the award year times 150 success units plus the dividend rate value. For example:

Stock Appreciation Value:

Beginning award value – October 1, **2024** closing AT&T stock price **\$22.00**

Ending award value – September 30, **2025** closing AT&T stock price **\$26.00**

Payout – **$\$26.00 - \$22.00 = \$4.00$** x 150 success units = **$\$600.00$**

Dividend Rate Value:

December **2024** declared dividend **\$.28**

March **2025** declared dividend **\$.28**

June **2025** declared dividend **\$.28**

September **2025** declared dividend **\$.28**

Total Declared Dividend **\$1.12**

Dividend Rate Value - **$\$1.12$** x 150 success units = **$\$168.00$**

Total Award:

\$600.00 stock appreciation value + ***\$168.00*** dividend rate value =
\$768.00

The award payment will be made as soon as practicable after the award year and will normally occur the payday of the last full pay period in November.

B. Eligibility

Employees eligible for payments as described above are those regular, temporary and term employees who are on the payroll on both the beginning and ending dates of the award year and who works for a minimum of three (3) months within the award year in a position covered by this Collective Bargaining Agreement. Eligible employees who are on approved leaves of absence, short-term disability absence or partial disability absence and meet the other eligibility requirements on the ending date of the award year shall receive a payment, provided they return to duty on or before December 31 of the year in which the payment is made.

An eligible employee who transfers between AT&T Companies participating in the SSP will be eligible to receive a payout under the terms of the SSP applicable to the employee's current bargaining unit at the time of a payout, so long as the combined service in both AT&T Companies satisfies the above eligibility provisions.

C. Part-Time Employees

Eligible part-time employees will receive prorated payments based on their part-time classification (or "part-time equivalent work week") on the ending date of the award year.

D. Benefits Treatment

SSP payments will be recognized as eligible compensation under all benefit plans, as applicable.

E. Taxes, Personal Allotments

Payments are subject to state and local taxes, Federal Income Tax, Social Security Tax, Medicare Tax, and any state disability deductions at the time of payment. Union dues will be deducted. Employees with 401(k) pre-tax elections will not have State or Federal Income Taxes deducted from that portion.

Personal allotments such as United Way contributions will not be made.

F. Dispute Resolution

Company determination under this plan shall be final and binding. The Union may present grievances relating to matters covered by the SSP, but neither the plan nor its administration shall be subject to arbitration.

INCLEMENT WEATHER

Following is the Inclement Weather Work Policy for Utility Operations. On scheduled workdays when weather conditions have been deemed by the supervisor to be unsafe or not conducive for productive work the following will apply:

Inclement weather time will be used for safety training, job training or general operational information sharing. If there is no required training or meeting time needed, the supervisor shall offer all employees at their designated work locations Excused Time (time not paid) for the remainder of the scheduled work day.

All employees not taking excused time will perform work assignments such as preventative maintenance on work equipment, cleaning of work equipment, organizing and cleaning of work location, and other general task as assigned by the supervisor. This work will be performed until such time as the supervisor deems the weather conditions to be safe and favorable for productive work.

The Company will review this policy periodically and make adjustments as necessary. This policy will be subject to changes.

**MEMORANDUM OF AGREEMENT
PROMOTIONAL WAGE TREATMENT
BST UTILITY OPERATIONS**

This Memorandum of Agreement between the Communications Workers of America (the Union) and BellSouth Telecommunications, Inc. (the Company) and outlines the agreement reached by the parties regarding handling of promotional wage increases for employees covered under the BST Utility Operations Working Agreement.

When employees within Utility Operations are promoted to a higher rated job within the Utility Operations bargaining unit, the Company and Union have agreed to use the following approach:

An employee's length of service in the lower rated position or Wage Experience Date ("WED") will be used in determining the appropriate step rate for the higher rated job, whichever is greater. In no instance will this result in an employee receiving less than their current rate of pay.

This provision will apply to Utility Operations employees that are promoted within the Utility Operations bargaining unit during the life of this Utility Operations Working Agreement.

UNIFORM PROGRAM

The Company and Union recognize the importance of our customers and the general public. In order to assure consistency in dress and present a professional image, the Company and the Union agree to the following uniform policy.

- The Utility Operations employees will be provided an initial vendor credit of \$503.88 to purchase uniforms from an approved catalog.
- The initial allowance must purchase a minimum wardrobe of 6 shirts, 5 pants, and 1 outer wear with the balance of the allowance to be spent at the employees' discretion.
- All new employees to Utility Operations will receive the initial allowance of \$503.88 within 30 days of employment.
- An annual credit of \$244.10 will be provided in January of each year for the life of the contract.
- Each employee may receive a vendor cost adjustment credit to their allowance if necessary.
- Employees required by the Company to wear protective footwear will be provided a \$125.00 per year footwear allowance through the life of this agreement. This allowance is considered taxable income.

For employees in the Uniform Program, unused balances up to the initial vendor allowance may be carried over from one year to the next.

Maximum number of items per category per year will apply as follows*:

Catalog Item	Maximum #
Shirts	15
Pants	10
Hats	5
Socks	15
Jackets	2

*Supervisor approval is needed to exceed any category maximum.

Additional uniform items may be purchased from the catalog at the employee's expense.

Employees will wear the approved uniforms while on Company paid time.

Employees that have announced retirement, are on a Leave of Absence, accepted a non-uniform job, or Surplus, shall have their uniform accounts frozen during these processes.

Individual exceptions to the Company's uniform policy may be allowed on a daily case-by-case basis with prior supervisory approval.

The Company shall provide shorts as an option for employee selection. Both the Company and the Union recognize that Company safety rules and obligations will not be lessened in any degree to accommodate employee wearing of the shorts.

The Company and the Union understand that if the employee chooses to wear a uniform with the Union logo, an approved Union logo will be placed on the uniform shirt sleeve, cap and outerwear by the vendor and be the same size as the Company logo. Clothing needing replacement as a result of work related damage will be the responsibility of the Company. Additionally, both parties understand that employees will not suffer any financial risk due to a change in vendor or increases in clothing costs.

The Company and the Union are committed to working together on the Uniform Program and to discussing problems of mutual concern.

4. The incentive compensation is subject to state and local taxes, federal income and social security taxes in effect at the time of payment. Personal allotments will not be made. Deductions for Union dues will be made from incentive payments as authorized by the employee and the Union.

During the development of an incentive plan, the Company will meet with the Union at the Executive level and provide the Union with an opportunity to have input concerning the terms of the plan. The Company reserves the right to amend, modify or discontinue any incentive plan with 30 days advance notification to the Union at the Executive Level.

The Union may only grieve, or otherwise challenge, general disputes that arise over the Company's enforcement of the terms of an incentive plan. A general dispute is one that involves a plan enforcement issue that commonly affects all employees (as opposed to individual employees) who participate in the same incentive plan. General disputes may not be brought over differences that may exist in the treatment of employees who participate in different incentive plans.

General disputes will be grieved at the Executive Level. Grievances that are not resolved at the Executive Level may be appealed by the Union to full arbitration.

WIRE WORK

During 1998 Bargaining, we agreed to move the “wire work” functions that were performed by BellSouth Telecommunications WS 31 Services Technicians to the Utility Operations Bargaining Unit. The wire work function will now be performed by WS 1B Machine Operators in Utility Operations:

“Wire Work” is defined as establishing continuity from the service termination point (including encaps) to the ONI after the initial visit by the ST.

Encap wire work will consist of and be defined as follows:

1. The ST connects a permanent BSW to the encapsulated cable end and leaves it to be buried by the Machine Operator.
2. The ST connects a temporary service line to the encapsulated cable end due to a road crossing or other obstruction and turns the request over to the Utility Operations to bury a permanent line. The Machine Operator will bury a BSW and connect it to the Encap using the appropriate connectors and closure. The Machine Operator will then connect the BSW to the ONI.

Utility Operations employees will be allowed to make permanent repairs to buried service wire damage caused by them while performing the placing operation.

Additionally, the following functions will not be performed by Utility Operations employees:

Providing dial tone on pre-buries.

The use of Fault Test equipment. However, Utility Operations employees will use a “butt-in” or hand set to establish continuity and polarity.
